Fields of interest/reasons for membership

\* For the annual contribution assessment, the gross domestic mail order sales (incl. VAT excl. returns) for the online presences listed in the company profile must be specified. If distribution is carried out via marketplaces, this (domestic) turnover must also be taken into account. Stationary sales are also taken into account. In the case of marketplace operators, the basis of assessment is the achieved domestic commission income.

## B. Company profile

If there are other online presences than those listed in „Company details“, please name them here.
